Discover Your All

Dear Trojan Fans,

Our number one goal for the All Saints Athletic Department this summer is to provide our student-athletes with multiple opportunities to increase their speed, strength, conditioning, and skill level. During the month of June our student-athletes have taken full advantage of these opportunities. Our students have actively participated in 7 vs. 7 football, Middle School and Upper School basketball leagues, volleyball leagues, baseball, golf and tennis tournaments, numerous individual and team workouts, and summer athletic camps. It has been great to see our facilities busy with activities from 9 a.m. – 9 p.m. almost every day. For summer workout, game, and camp schedules please go to the athletic page of the All Saints web site for more information.

We are excited about the 2011 - 2012 school year and expect great things from our students, teams, and programs. We feel the time we are putting in this summer will pay huge dividends next year. Please see below important information and dates that will ensure your child is ready to go once his / her season starts next year:

- ASES is in the second year of an agreement as an adidas team school. With this agreement, we have an opportunity to purchase top quality adidas products at a reduced price. We receive 40% off retail price on all adidas apparel and accessories, 35% off retail price on footwear, and receive an annual bonus in adidas promotional material for our athletic program.
- To ensure our student-athletes are dressed in a uniformed and first class manner while representing ASES, each student-athlete will be required to purchase an apparel package. The Upper School package includes a warm-up suit, a dri-fit polo, a hoodie, and ASES practice gear. Middle School Students are required to purchase a sweat suit. All apparel will have the All Saints logo printed or embroidered on it giving us a unified look. If your child has their apparel from last year and it is in good shape, you are not required to re-order. We will have samples available to assist with sizing beginning July 8 at Brookshire Gym. Order forms for adidas apparel can be found on the athletic page of the ASES web site and following this letter. All orders must be placed by July 20. If purchasing the required apparel presents a financial hardship to your family, please contact me at 903-579-6042 or efrancis@all-saints.org
- All students must wear school colors during their athletic period and practices. Workout gear must be blue, black, grey, or white. ASES camp, team, or spirit shirts of the appropriate color will be allowed.
- All student-athletes must have the following forms on file in the Athletic Office before participating in practices or games: physical, medical-emergency information, transportation consent, TAPPS Acknowledgement of Rules, and Parent-Student Acknowledgement from the Athletic Handbook. These forms are available on the athletic page of the web site.

Please find below some important dates for our Middle School and Upper School student-athletes. We will post all athletic schedules to www.all-saints.org as soon as they are finalized.
