

Attention...Future Lady Trojans!

The Lady Trojan girls' basketball team is proud to announce the beginning of **Anthem Buddies** for the 2011- 2012 season. This newest addition to our exciting season involves all girls' grades 1 through 4. This group of future Lady Trojans will add an extra boost to our home games acting as ball girls during warm up and standing alongside a varsity player during introductions and the playing of the National Anthem. The girls will receive free admission to the game and refreshments will be served provided by the team. At the conclusion of the National Anthem, the girls can sit together as a group or return to their parents. We hope they will want to stay and watch their Lady Trojans in action but understand if they must leave. We feel this will be a fun and unique way to bridge our future stars with our present. Building school spirit and actively being a part of our programs only enhances the overall All Saints experience. We want our youngsters to see first-hand how fun it is to be a Lady Trojan and hopefully instill dreams for the future. T-shirts will be provided by Coach Lanford to be returned to the Anthem Buddies' homeroom teacher after their night of participation. This is a new idea never done before and is of no cost to the participants. We simply ask for your willingness to give it a try and help build and support our girls' basketball program. There are 11 home games and 11 teachers, grades 1- 4; the numbers fit perfectly! Our season begins November 8 as we open with East Texas Christian Academy at 5 p.m. in Brookshire Gym. Attached, please find your child's assigned game date. We can accommodate up to 12 girls at each home game, so there is room for more as word gets out. We are targeting grades 1- 4 this season just to get **Anthem Buddies** up and running. Your input throughout the season will help make this new program even better. **Please feel free to contact Coach Lanford with any questions or suggestions – klanford@all-saints.org (email) 903-579-6000 ext.2105 (work) or 903-920-9119 (cell).**

Thank you in advance for your support!
