Jake A. – 6
Landry N. – 7
Zack B. – 12
Cody B. - 18
Hadyn J. – 25
Charlie M. – 26
Haley B. - 27

The next book report will be on February 17 and will be a biography. The children are to come to school dressed as their famous person and be ready to present information about that person to the class. Notecards made at home can be used to help them remember information. The presentation should be no longer than 3 minutes. They may bring clothes to change into after we are finished presenting.

The children have begun working on their “States Projects”. Keep watch for more information to come home.

The **Valentine’s Day** party will be a pizza party just like the Christmas party. Pizzas will be delivered to each class. More information to come!
