

the Real representing the four pillars **Housewives**

OF ALL SAINTS

Don't Miss All Saints Spring Gala - March 31, 2012

Did you know?

The purpose of the 2012 Spring Gala is to have a diverse group of dedicated women pull together in support of the four pillars of All Saints in a new, powerful, and exciting way! The women will dedicate three months (January – March) to fund raise in support of Academics, Fine Arts, Athletics, and Spiritual Growth. This event will highlight the power of these women supporting their children and school because of their belief and dedication in both.

How will the women be involved?

Five diverse women have been chosen as Housewives to represent each of the four pillars: Academics, Fine Arts, Athletics, and Spiritual Growth. These twenty All Saints women will raise funds in support of their chosen pillar and serve as committee members to put on the event. Our web site will feature a photo of each Housewife with their child or a chosen student and a short bio. This will give faculty, friends, and others the ability to donate online in support of their favorite Housewife or a specific pillar.

What will happen the night of the event?

The semi-formal evening will offer silent and live auctions along with dinner and live entertainment. All of the Housewives will be presented on stage and the highest fundraiser from each pillar will be recognized, until five women (one from each pillar, plus the overall top fund raiser) are deemed The Real Housewives of All Saints - Premiere Season! The highest combined fundraising pillar will also be recognized as a team for their success.

What is the fundraising goal of this event?

The goal is to bring in \$50,000 before the evening of the Spring Gala in Housewife donations alone, plus money raised from the auctions, sponsorships, and ticket sales. Through the use of email and social media contacts, donors from outside the school community can easily support our school's four pillars. Giving people the ability to donate online for their favorite Housewife allows donations to be given with a click of a button.

Event tickets, sponsorships, and raffle tickets are available at www.all-saints.org/Special-Events.
