

VOLUNTEER

OPPORTUNITIES

There are so many ways to get involved, meet new people, and make a difference with your service at All Saints Episcopal School. Opportunities abound in our vital Parent Association. Whether you are project or people oriented, there are plenty of jobs to be filled - both large and small. Please take a moment to consider the list below and decide in which areas you would like to volunteer. Committees are forming now for next year's projects and events.

Parent Association Opportunities:

- **Grade Level Rep/Homeroom Mom/Assistant Homeroom Mom** – assist with class celebrations and socials; help recruit volunteers for projects, special events, help coordinate monthly teacher/staff luncheons, help with teacher/parent communication, help arrange transportation for class field trips, welcome new families.
- **Fund Raising** - help with our annual PA fundraiser
- **Book Fair Volunteer** – assist the librarian during the annual book fair.
- **Door Corps** – assist and greet students during morning drop-off at the Lower School and Vaughn Hall.
- **Lower School Celebration** – assist with the organization and execution of this fun fall Lower School event.
- **Field Day** - help plan and assist at our annual Field Day for Lower School students
- **Swap Shop** –assist in the organizing and staffing of the uniform Swap Shop on days of operation.
- **Faculty/Staff Appreciation** – assist in the organization/preparation of special breakfasts and luncheons provided for our hardworking teachers and staff.
- **Grandfriends Day** – assist with decorating, serving refreshments, and greeting our fantastic grandfriends on this special day.
- **Christmas Decorating (and un-decorating)** – help our school community get into the spirit of this important season as we decorate our campus.
- **General Volunteer** – if you are more the “by project” type of volunteer, there are many short or one-time commitments (some as brief as 30 minutes to an hour) which provide a great way for busy moms and dads to get involved. Let us know if you would like to be on this special “on call” list.
- **Fine Arts Week** – assist in programs and coordination during Fine Arts Week.

**Your service makes a tremendous impact on our school and our students!
We look forward to working together!**

**Please fill out this form and drop it in one of the Parent Association baskets
(located at the Rogers Hall front desk or Lower School office).**
